Wedding Cake

If you say "I do" to Wedding Cake, be prepared to be swept off your feet by this potent indica. People who have fallen in love with Wedding Cake say it marries a blissful head high with relaxing, full-body relief that's perfect for bedtime.

Forbidden Zkittlez

Despite its name, Forbidden Zkittlez is actually a very accessible strain for newbies and cannaseurs alike who are on the prowl for a balanced and blissful high. Be aware that binging on this indica may lead to sedation and sleepiness, so tread lightly if you don't want to get caught in a lazy couchlock.

Tropicana Cherry

The sativa Tropicana Cherry may easily be one of the most delicious strains you'll ever try, thanks to its bright cherry flavor that will wake up your taste buds and your mind. Pure euphoria follows, with a high that's invigorating and cerebral without being too buzzy or overwhelming.

Golden Goat

This strain is truly the G.O.A.T. when it comes to a bright, happy high that lasts all day long. This potent sativa is a favorite among consumers who want to be energized and productive while combating anxiety, depression, fatigue, nausea, pain, or migraines.

Storm Shelter

Whenever you're caught in a downpour of tasks and tension, you can find rescue and relief in Storm Shelter. This balanced hybrid provides the perfect refuge any time of day thanks to its relaxed yet functional full-body high.

Axle Grease

All you need is a little Axle Grease to get yourself rolling towards clear-headed bliss. Enjoy this sativa when you need fuel and focus in the middle of a busy day, or before heading out for a night on the town with friends.

XXX

When it comes to strains that pair well with an evening of unwinding, XXX is a triple threat. This indica provides powerful relaxation, full-body relief, and utter euphoria that sends you sinking into a smiley serenity.
